MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE

3/100

Attention: Executive For All

SUBJECT: Request for authorization to interview certain specialized applicants in Washington at Agency expense.

25X1A

1. This memorandum will confirm the conversation of 28 September 1948 between [REDACTED] in which it was pointed out that during the next 60 days of rapid expansion in OPC, it will be highly desirable to invite certain highly specialized applicants to Washington for final interviewing at Agency expense. The number of such cases should not exceed 25, including both potential staff and operational personnel.

2. It is requested that the Director delegate such authority to the Assistant Director for Policy Coordination, with the understanding that he will exercise personal control and will not use this privilege except in those instances where it would be more efficient and economical to handle the matter in this manner, rather than send a representative of this office out to the field for such purpose.
